

### **Company backgrounder: Mullen Group Ltd.**

Mullen Group Ltd. (Mullen Group), a publicly traded corporation, is one of North America's largest logistics providers. Since going public in 1993, Mullen Group has completed over 80 acquisitions that set the foundation for its strategic growth. While headquartered in Okotoks, Alberta, Mullen Group's impact spans across Canada and the United States with its far-reaching network of independently operated businesses.

To spread the groundwork for a successful tomorrow, Mullen Group offers a wide range of services including less-than-truckload, truckload, warehousing, logistics, transload, oversized, third-party logistics and specialized hauling transportation. Mullen Group also contributes to Western Canada's energy, mining, forestry and construction industries through this its diverse set of specialized services. The corporate office provides the capital and financial expertise, legal support, technology and systems support, shared services and strategic planning to its independent businesses. Its people-focused culture of integrity remains the basis of how Mullen Group builds and maintains mutually beneficial and trustworthy relationships.

Mullen Group's continuous growth is a testimony to its mission to acquire companies and strive to improve their performance.
