Clean Energy Fuels Corp. (Nasdaq: CLNE) is the leading provider of natural gas fuel for transportation in North America. We build and operate compressed natural gas (CNG) and liquefied natural gas (LNG) fueling stations; manufacture CNG and LNG equipment and technologies for ourselves and other companies; develop renewable natural gas (RNG) production facilities; and deliver more CNG, LNG and Redeem RNG fuel than any other company in the U.S.

We provide fuel to serve a broad customer base consisting of refuse, transit, trucking, shuttle, taxi, airport and municipal fleet customers in the United States and Canada and sell CNG equipment around the world.

Mission
We are the driving force moving America to use natural gas for transportation.

Services
Clean Energy offers operators of light, medium, and heavy-duty natural gas vehicle fleets:
