

Clean Fleet Vehicle & Technology Grant Program 2024

Due: June 21, 2024

Program budget: TBD

Competitive

Eligible projects:

Eligible projects include the purchase of new Class 4-8 CNG vehicles. Scrappage is **not** required.

Eligible applicants:

Nonprofit and for-profit businesses, governmental agencies, public and private fleets, and owners of medium-and heavy-duty vehicles that reside within the state of Colorado.

Funding cap per vehicle:

Funding may be stacked with external grant awards.

Can not exceed 80% of the total new vehicle cost.

Class 4 – Class 6	Base new vehicle incentives (CNG): \$45,000
Class 7 – Class 8	Base new vehicle incentives (CNG): \$95,000

General requirements:

- Up to 20 vehicles can be requested in a single application
- Requested new vehicles must be new with no previous ownership
- Requested vehicles must be domiciled in and operated from a site in the state of Colorado with a large percentage of their travel within the state
- Requested vehicles must be owned and operated by the fleet or owner applying to funding (third-party allowed)
- Requested vehicles must be insured and authorized for use in the state of Colorado

Contact us to learn whether your fleet operations qualify for grant opportunities. We can even help you apply.
